

DELTA

This high-gloss white acrylic bath has been specially developed to stand properly at the head end. The raised part in this bath creates a shower floor, so that the water is quickly drained to the drain. The foot end has been made narrower. Therefore, the Delta can also be used in bathrooms with different sizes. The bath is available in both a left and right version.

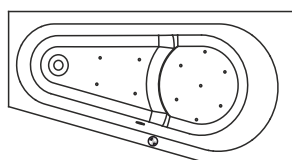

Riho acrylic bathtubs are made of high-quality acrylic, fully reinforced and all through white in colour. The acrylic baths are non-aging and UV resistant. The material is completely pore-free and smooth. Lime will adhere poorly so no bacteria remain. Therefore, the baths are easy to clean. The surface is pleasantly warm. Standard the bathtub does not include a legset and overflow/drain.

Article nr.	L x W x H (cm)	Volume* (ltr)	Weight (kg)	Water height (cm)	Option Rihopool**
