

YUKON

This high-gloss white acrylic bath offers both the bath lover and the shower lover sufficient comfort and space. The spacious 90 cm wide rounded back has a fine lying shape and in the side walls have cleverly designed armrests included. The curve in the bottom on which you can stand is slightly raised, so that the water can drain quickly when showering. The asymmetrical form comes in two variants; a left and right variant.

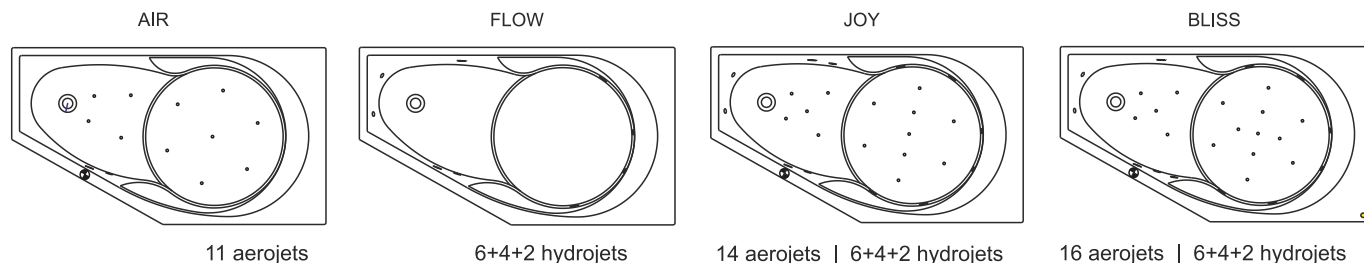

Riho acrylic baths are made of high-quality cast acrylic, fully reinforced and all through white in colour. Our acrylic baths are non-aging and UV resistant. The material is completely pore-free and smooth. Lime will adhere poorly so no bacteria remain, also it makes the baths easy to clean. Its surface is pleasantly warm. Standard the bath doesn't include a legset and overflow/drain.
