

BILBAO

For a stylish bathroom with natural tones, the Bilbao bathtub is perfect in one of these full solid colors: Matt White, Moss Green, Pebble Grey and Anthracite Matt. The moss green color also makes its appearance in our FromScratch furniture range and therefore can be beautifully combined with it. The natural loam color can be combined with the similar Sand Taupe shade which is also new in our furniture range. For a beautiful concrete-look bathroom, you can then combine the Bilbao in anthracite with the Isola shower floor in the same anthracite. Just like the white variants, these freestanding baths consist of the same material and are colored throughout.

This makes them very durable, easy to maintain, and scratch-resistant.
