

NUVIA

Nuvia is a shower floor that starts from practicality, not limitations. It's lightweight, warm underfoot, safe to use, and flexible in shape and color. Not by chance, but because it's made from an innovative material: Purite®.

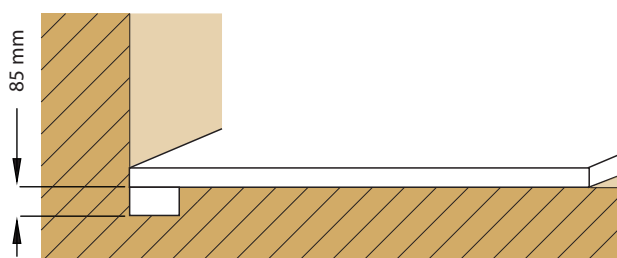

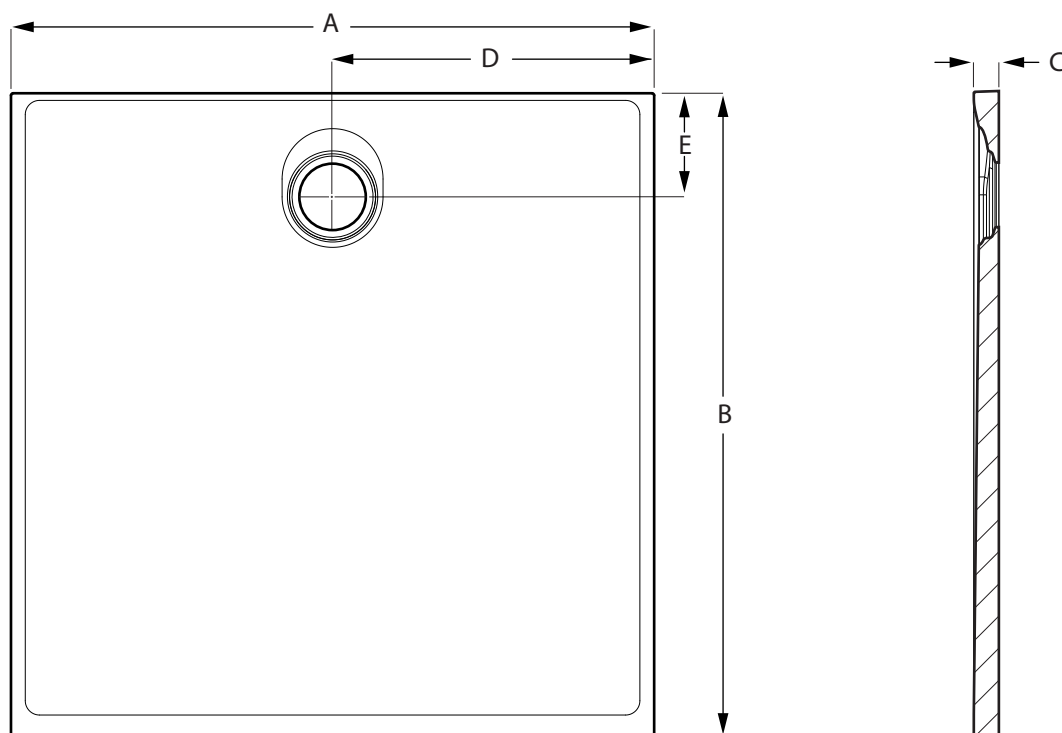

Purite® makes it possible to create a shower floor that's strong without being heavy, that feels comfortable without compromising durability, and that adapts to the project instead of the other way around.

The result is a shower floor that's easy to install, integrates perfectly into any bathroom design, and remains beautiful and reliable for years to come, even in daily use.

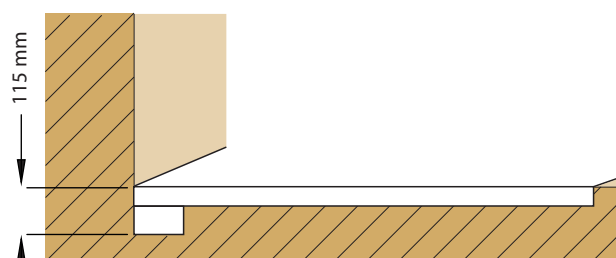

Model	A (cm)	B (cm)	C (cm)	D (cm)	E (cm)	Weight (kg)	Article number
