LUSSO

This high gloss white acrylic bath is a sleek bath with asymmetrical bath shape. The bottom of the bath is almost completely flat,making standing in this bath also possible. The bath is in manydimensions available, which makes sure it fits into almost any bathroom.

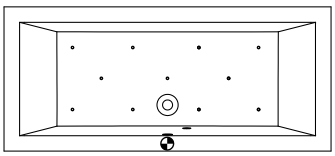

Riho acrylic bathtubs are made of high-quality acrylic, fully reinforced and all through white in colour. The acrylic baths are non-aging and UV resistant. The material is completely pore-free and smooth. Lime will adhere poorly so no bacteria remain. Therefore, the baths are easy to clean. The surface is pleasantly warm. Standard the bathtub does not include a legset and overflow/drain.
