# CASTELLO

**This high-gloss white acrylic bath is suitable for two people, next to or diagonally opposite each other. The drain is placed in the long side so that the water height is maximum. We have designed special headrests for this symmetrical bath, which make the bath even more comfortable.**

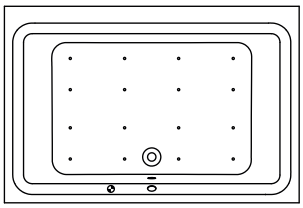

*Riho acrylic bathtubs are made of high-quality acrylic, fully reinforced and all through white in colour. The acrylic baths are non-aging and UV resistant. The material is completely pore-free and smooth. Lime will adhere poorly so no bacteria remain. Therefore, the baths are easy to clean. The surface is pleasantly warm. Standard the bathtub does not include a legset and overflow/drain.*
